About Us

The Rise School of Corpus Christi is a nationally recognized preschool specializing in the development and education of children from 18 months to six years with and without disabilities. All proceeds go directly to benefit the children who attend the school which operates as a non-profit charity. The school opened in September 2007 with one classroom. In January 2010, we opened our second classroom thus giving 10 more children from the waiting list a Rise education! For our history and more information, visit www.riseschool.org or contact Sherry Peterson at 361-814-9399.

Family Fun

Join us as we walk/run to raise money and awareness for the Rise School of Corpus Christi. For the 5K Run, 1st, 2nd, and 3rd place medals will be awarded in each age category.

The celebration continues after you cross the finish line. We will have DJ Trae Jackson, food, drinks, Monster Mural, and other activities for the entire family.

Help Break a World Record

After the Walk & Run, we will circle in the shape of the Rise School sun. You can help us as we break a World Record by being a part of "the World's Largest Living Sun." The more people - the higher the record - we need you!

For more information about the 6th Annual Rise and Shine Walk, please contact Deane at 361/533-4778.
