LEAVE A LASTING LEGACY:

HELP OUR STUDENTS "SHINE" FOR GENERATIONS TO COME

The Rise School of Houston is the only preschool in our city to serve children with and without disabilities in an integrated environment, preparing them to excel in kindergarten and beyond. **We have served the children of Houston proudly for over 25 years.**

Our **Rise Heritage Society** recognizes those generous friends who have provided for The Rise School of Houston in their estate plans. Gifts can be made in a variety of ways, including naming The Rise School of Houston as a beneficiary in your will, life insurance policy or retirement plan. Giving of this kind can be done by ANYONE who cares about our school. Some examples of those who have reached out to us in this way include:

- One grandfather, a retired educator, named us as beneficiaries in his will and bequeathed us $5,000
- One staff member named Rise as one of three beneficiaries to split a $10,000 life insurance policy
- One local philanthropist named Rise to benefit from one of his charitable remainder trusts

Heritage giving can occur at any level and is always meaningful. All planned gifts are directed to the school's Endowment Fund to ensure they continue to support the school in perpetuity.

If Rise has been important to you, consider playing a role in its future by remembering us in your estate plan. Rise Heritage Society members receive:

1. Recognition in The Rise School of Houston's annual report
2. Tickets to two of our fundraising events each year
3. A paver on the walkway outside the school, engraved as you request
